## CALLING ALL BUSINESSES & ORGANIZATIONS IN WASHINGTON COUNTY

### Who?

Building Bridges to Careers

### What?

A directory of local businesses and organizations willing to help connect teachers and students with local information and opportunities. This directory will contain area information, which will help students identify your business as a potential employment site or opportunity.

We need your help in building this directory. If you are willing to participate we have created a survey on the backside of this sheet that we would ask businesses to fill out who are willing to work with students. It may be faxed to Tasha Werry at 740-374-6506 or fill in the survey online :
